

Reissue Applicant: Marvin Ornstein
Reissue Application No.: 09/506,458

Responsive to the last Official Action and to the telephone interview, submitted herewith are an Assent of Assignee, the Original Issued patent, a Supplemental Declaration of the Inventor and a Supplemental Declaration of the undersigned, attorney for the inventor.

Responsive to the last Official Action, the Original patent has been surrendered herewith.

Responsive to the Examiner's objection under 37 C.F.R. § 1.172(a), the Assent of Assignee to this application accompanies this Amendment.

The original ribboned copy of the Patent accompanies this Amendment.

The requirement for a Supplemental Declaration including the statement that "all errors which are being corrected in the reissue application up to the time of filing of the Oath/Declaration arose without any deceptive intention on the part of Applicant." This statement has been incorporated in the Supplemental Declaration of the inventor as well as the Supplemental Declaration of the attorney for the inventor, Louis Weinstein, Esquire.

Regarding the reissue application Serial No., the Declaration now recites the reissue application Serial No., namely 09/506,458.

It is noted that claims 1-28 avoid the art. Although claims 1-28 have been rejected as based upon the defective reissue declaration, it is submitted that the defects in the reissue declaration have

been cured and it is submitted that the present application is now in condition for reissue and early reissuance is earnestly solicited.

Respectfully submitted,

MARVIN A. ORNSTEIN
